**New Committee information:**

We have had some changes for this coming year. We no longer have paid Kindergarten aides. As a result, the school has asked us to come up with a list of volunteers who would be willing to come into school on a regular basis and help in the Kindergarten classrooms. If you are able to commit to a consistent day and time each week and can volunteer a minimum of an hour, please let us know. We will set up a schedule to accommodate your availability. This committee also needs a chair person to coordinate the schedule. Thank you so much for helping us support our children and teachers.

Thank you for supporting the children of B. Bernice Young School!
